

Greetings Parents,

Welcome to the 2022-2023 school year! My name is Teresa Outlaw; I am the Parent Liaison for B.F. Liddell Middle School and Noxubee County High School.

My goal is to strengthen the home and school partnership to achieve academic success. Parent Engagement is critical to students' academic achievement. However, the school and the parents must work together to accomplish this goal.

This year we will be coordinating workshops that will provide the support you need to be a participant in your child's academic achievement. Please let me know if there are any workshops or activities you would like us to have. We welcome all families to participate. As the Parent Liaison, I want to have educational and fun events that will help you assist at home.

Please use the Active Parent portal to see your child's grade, attendance, and news from the school. If you need an account, please see me to sign up. Please check book bags; your child's Team accounts for information on upcoming workshops and events. Please feel free to call or come see me. My phone number is (662) 726-4880 or (662) 726-4428.

Thanks for all you do!
