My favorite (food, sport, hobby, etc.) is: **Food: Shrimp Alfredo; Sport: Basketball, Track & Field; Hobby: playing sports**

When preparing for assessments, I: **never overstudy. I only study "just enough," so I won't stress myself before taking the assessment.**

When I grow up: **I want to become an Anesthesiologist. After becoming financially stable, I also plan to give back to my hometown of Noxubee County.**

Special Shout out to: **D. Smith, T. Ramsey, A. Brooks, my grandmother, and the rest of my support system for always having my best interest at heart.**

My special message:

## *Janesha Kinchen — USH — 1093*

She is the proud daughter of **RC & Betty Hibbler**. Let's get to know our top scholar a little better:

Two things I enjoy doing during my free time: **are cleaning and spending alone time to myself.**

My favorite (food, sport, hobby, etc.) is: **My favorite foods are smothered hamburger steaks. My favorite sport is football. My favorite hobby is listening to music.**

When preparing for assessments, I: **study weeks before the assessment to understand the concept better.**

When I grow up: **I want to become a certified OBGYN.**

Special Shout out to: **My mother for always keeping me grounded and pushing me to make something out of myself.**

My special message: **My special message is always to put God first and be humble.**

## Hailey Taylor — USH — 1091

She is the proud daughter of **Laranda Taylor**. Let's get to know our top scholar a little better:

Two things I enjoy doing during my free time: **I enjoy watching anime and listening to music.**

My favorite (food, sport, hobby, etc.) is: **My favorite hobby is singing, and my favorite sport is basketball.**

When preparing for assessments, I: **study two times a week.**

When I grow up: **I want to be a Politician and an Activist.**

Special Shout out to: **God and myself**

My special message: **Do not allow other people's limited perceptions to define you.**

## Coby Wells — USH — 1089

## Adamory Chora — USH — 1089

She is the proud daughter of **Luis and Maria Chora**. Let's get to know our top scholar a little better:

Two things I enjoy doing during my free time: **I enjoy reading books and scrolling through TikTok during my free time.**

My favorite (food, sport, hobby, etc.) is: **My favorite place to travel is to the beach.**

When preparing for assessments, I: **usually look over my notes a few minutes before the test. I also make sure I get enough rest the night before.**

When I grow up: **I want to travel around the world and help different communities that lack water, food, etc...**

Special Shout out to: **The Library crew and my besties for always being there for me.**

My special message: **You can do anything you put your mind to.**

## *Demontray Dooley — Biology — 1095*

He is the proud son of **Mary Richardson and Derrick Dooley**. Let's get to know our top scholar a little better:

Two things I enjoy doing during my free time: **I like to play video games with friends and watch TikTok.**

My favorite (food, sport, hobby, etc.) is: **seafood, football, and listening to music.**

When preparing for assessments, I: **like to visualize the work in my head.**

When I grow up: **I want to be a Software Engineer or an Actor.**

Special Shout out to: **My parents; they push me to work harder and do better.**

My special message: **I would like to thank all the teachers who taught me in 9<sup>th</sup> grade. You guys really help me out.**

## *Dynastii Andrew — Biology — 1095 & Algebra I — 1088*

She is the proud daughter of **Henry & Carolyn Andrew**. Let's get to know our top scholar a little better:

Two things I enjoy doing during my free time: **I enjoy sleeping and making bracelets.**

My favorite (food, sport, hobby, etc.) is: **food eating crab legs and shrimp; sports playing softball, and hobby reading Greek mythology books.**

When preparing for assessments, I: **put my head down to rest and become focused. I don't study; I trust myself and know I can recall the information.**

When I grow up: **I want to pursue a career in computer engineering and live a happy and successful life with a family.**

Special Shout out to: **My grandparents for supporting me in everything I do and my SPARKS program teacher Mrs. Melinda Brown.**

My special message:

## *Damarion Glenn — Biology — 1098*

## Ashlynn Hammock — Biology — 1098

She is the proud daughter of **Rodney Hammock and Tameka Coleman**. Let's get to know our top scholar a little better:

Two things I enjoy doing during my free time: **I enjoy creating visual arts and playing video games.**

My favorite (food, sport, hobby, etc.) is: **Some of my favorites are a variety of music, the book "The Outsiders," and the artist Steve Lacy.**

When preparing for assessments, I: **review, study, and sometimes looking at notes just doesn't help, so having flashcards, games, and other physical review tactics was my preparation.**

When I grow up: **I hope to be an Entrepreneur of some sort.**

Special Shout out to: **Ms. Moody, who believed in me and was the sweetest, most innovative teacher! Thanks for making me like science.**

My special message: **"Don't stress; you got this. Also, use your calculators, please."**

## Omari Little — Biology — 1108

He is the proud son of **Tracy Walker and Clemmie Little**. Let's get to know our top scholar a little better:

Two things I enjoy doing during my free time: **editing and making videos.**

My favorite (food, sport, hobby, etc.) is: **My favorite food is oatmeal; I love playing basketball and enjoying it.**

When preparing for assessments, I: **choose to study the topic before actually engaging in the assignment, so I'll know what I'll be doing.**

When I grow up: **I want to be a successful YouTuber.**

Special Shout out to: **my mom, dad, and teachers for preparing me for the upcoming test.**

My special message:

## Kennedy Hairston — Biology — 1127
