

Test Yourself! Challenge 2024

The Test Yourself! Practice Tool is a great way to review topics and improve your understanding! We are challenging **6-8th Grade Math, Algebra 1, Geometry, and Algebra 2** students across Mississippi to kick it up a notch by participating in our Test Yourself! Challenge!

Scan to watch a
video of how to
enter the
Challenge!

The Challenge runs from...

**Friday, March 1, 2024 to
Friday, March 29, 2024**

Student prizes include...

**iPads, Class Parties & Gift
Cards**

Teacher prizes include...

**Bose Earbuds, NISE Micro-
Certification, & Gift Cards**

To participate, complete the **Test Yourself! Practice Tool** for any (or all!) sections. Score a 6/10 or better and automatically earn one entry into the Test Yourself! Challenge.

Retake each section's Test Yourself! as many times as you like. You can only earn 1 entry per section.
